- The present contract invoice is a public offer made by Plekhanov Russian University of Economics to sign the contract for providing the service of organizing the participation of the customer in the conference Computer Algebra in Scientific Computing held by Plekhanov Russian University of Economics (the conference). The site of the service is Russian Federation, Moscow, Stremyannyj Lane 36. The contract is made by accepting the offer by the customer according to the established order (section 3 of article 348 of the Civil Code of the Russian Federation) and is meant to comply with the written form of the contract (section 3 of article 434 of the Civil Code of the Russian Federation).
- In accordance with the sections 435 and 437 of the Civil Code of the Russian Federation in case of acceptance of the below terms and payment for the services of the present contract invoice the person who is accepting this offer becomes the customer (in accordance with section 438 of the Civil Code of the Russian Federation, that is, the acceptance of the present offer is equivalent to entering into the contract with the terms and conditions given in the offer). The acceptance of the offer means full acceptance of the present offer by paying the registration fee in the amount given in the present contract invoice.
- The registration fees are as follows: Early registration (March 25 till June 23, 2019) - EUR 300; Late registration (June 24 till August 27, 2019) - EUR 350; Accompanying person - EUR 150; Student - EUR 100; Recent PhD receiver - EUR 200. The present contract invoice is valid for 7 full banking days after its issue (the term for the acceptance of the offer). When making the payment, the number of the contract invoice and the date must be provided. A partial payment for the present contract invoice does not implement the acceptance of the present offer.
- The conference is held by Plekhanov Russian University of Economics on August 26-30, 2019.
- Plekhanov Russian University of Economics has the right to refuse to provide any services before they are paid for.
- Plekhanov Russian University of Economics has the right to
 - unilaterally change the program of the conference and the list of the speakers;
 - unilaterally hire other people with the purpose of fulfilling its duties in accordance with the present contract.
 The contractor assumes responsibility to the customer for any duties of the subcontractors.
- The customer is obliged to provide any documents supporting his/her right to participate in the conference at a discounted rate.
- After the services have been provided, the customer and Plekhanov Russian University of Economics sign the record of acceptance of the services. The acceptance of the service is to be made by the customer within 3 (three) business days after the services and the record of acceptance have been provided. During this time the customer has to either sign the record of acceptance or provide a written motivated refusal to sign it. If neither is done by the customer in the designated period, the services are to be considered to have been properly and fully provided.
